Do you realize that a City Directory advertisement is a testimonial to the permanency, the stability, of the advertiser?

That's the sort of concern all of us want to patronize, because we know when they sell us merchandise they are behind it in every way, today, tomorrow, and for the years to come.

"Fly-by-night," "fire-sale" and other temporary or "get-rich-quick" concerns rarely appear in the City Directory.

And it is a noteworthy fact that the concerns which advertise one year in the city directory are there again next year. 90% of directory advertising is renewed.

Directory advertising, is profitable. In connection with the classified business headings it is doubly effective.

May we explain how and why it will pay you?

The Association of North American Directory Publishers is composed of reputable City Directory Publishers, organized for the general advancement of the Directory business. Any person, corporation or firm engaged in business as owner and publisher of a City Directory in the United States or Canada, who shall qualify as competent to gather information and compile a City Directory and furnish satisfactory references, is eligible to membership.

The objects of the Association are:

First. The advancement of the Directory business and the improvement of Directories by the interchange of ideas and the exchange of experienced employees.

Second. To provide protection to the public against fraudulent advertising schemes which operate under the name of Directories, and to drive unprincipled promoters of the same out of business.

Third. To provide permanent and profitable employment to competent, industrious and honest Directory canvassers and compilers.

Fourth. For the mutual protection and advancement of the established and prospective interests of all who may become members, by personal advice and assistance of members as may be mutually satisfactory, desirable or advisable, and by such other means as may, from time to time, be shown to be wise, proper and lawful.

\$100.00 REWARD will be paid by the Association for the arrest and conviction of any person or persons engaged in publishing, collecting or canvassing for any fraudulent or "fake" Directory.

Introductory

The twenty-eighth edition of R. L. Polk's Des Moines City Directory is herewith presented with the assurance that it will be found as complete and accurate as have the previous editions, which have proven so satisfactory as meeting the requirements of patrons and citizens generally.

The Directory consists of four essential departments: The Miscellaneous, the Alphabetical List of Names, the Street and Avenue Guide and Directory of Householders and the Classified Business Directory. The departments are compiled in the order stated. Persons not familiar with the compiled arrangement of information are referred to the Indexes on pages 30 to 35.

One of its important functions is to encourage the establishment of industries. Its chief activities are directed toward making Des Moines a bigger, better and sturdier city commercially and industrially. Inquiries regarding the city and its interests are invited by the Chamber.

DIRECTORY LIBRARY.

A library of City and County Directories and State Gazetteers has been installed by us in the offices of the Chamber of Commerce in the Savery Hotel for the free use of our patrons. As the latest Directories are issued they will be added to the Library, thereby keeping it up to date from year to year. We extend a cordial invitation to each and every one of our subscribers to make frequent use of the Library and to consult the Directories on file as often as desired, when information in regard to any individual, firm, corporation or institution located in other cities is desired. Copies of this Directory are placed by the publishers in Directory Libraries, which are maintained in all the larger cities of the country, where they are readily available for reference use by the public. There they serve as perpetual advertisements of Des Moines, for business men the country over realize the City Directory represents the community as it really is.

THE CUMMING SCHOOL OF ART

DES MOINES, IOWA

CHARLES ATHERTON CUMMING

DIRECTOR

PUPIL OF BOULANGER, LEFEBVRE AND CONSTANT

== REGULAR DAY SCHOOL ==
SATURDAY MORNING CLASSES
=== NIGHT CLASSES ===
OUT OF DOOR SUMMER SCHOOL

¶ The work of the school ranks with that of the leading academic art schools of Europe and America. Artists who have received their instruction in this school are occupying prominent positions throughout the country as painters, illustrators, designers, teachers, commercial illustrators and cartoonists.

¶ The studios and galleries—eight in number—are correctly lighted, having been designed for their present use. Few studios are so sanitary, comfortable and well equipped for practical work.

¶ The first year's work has been so designed as to make a complete short course. The thirty-four weeks of studio work in free hand drawing, painting, design, lettering, perspective, construction drawing and illustrative composition are so divided as to give the very best results, as well as to make a perfect foundation for advanced art study. - - - - -
